

A vibrant, stylized cartoon landscape. In the foreground, a wizard with a long white beard, wearing a purple robe with yellow crosses and a purple hat with yellow crosses, stands on a path. The path leads through rolling green hills with autumn-colored trees (red, orange, yellow) towards a large white castle with red-roofed spires on a hill. In the background, there are more hills with smaller castles and a bright sun. Four blue arrows point from the wizard's position towards four white boxes containing URLs.
